WEDNESDAY MORNING, MARCH 18, 1863.

THE MISSISSIPPI VALLEY.

A Mississippi Rain Storm-dur | Saldiers under its Capture of Federal Garboats-The ment, hoping that the Government which we isst sensation-Old Liends to new ciathes.

Correspondence of the Chattanooga Rubei. IN CAME REAR VICKERS RG., MISS., 1 Feb. 27, 1563.

A rain steam in this country is no ordinary matter-No little occurrence to pass away in an hoor. Let me stiempt a description of one we bad here lest week. All wek before just had been wet, and showery, and of their sacred calling, Saturday night it began in earnest-hegan to pour down like an old fashioned mill tail, and continued to five wounded, we were ordered to report a pour down in this manner, untill Sonday evening. Baltimore, Md., for the purpose of release; when it subsided into a steady going rain such as the but, on attempting to reach that place, we farmers term a growing min; and this continued were arrested and thrown in prison at differwithout intermission, untill Wednesday night. The ent points. Two were confined in the pentienwithout intermission, until Wedge day high. The converse with the position of a soil sandy asters, and being already it as y at Nashville with convicts and deserters; and a soil sandy asters, and being already at Nashville with convicts and deserters; and a soil sandy asters, and being already at Nashville with convicts and deserters; and the court was soon flooded, as were thrown into military prisons at Chi ope, have a trong pull, the worth fell, the wedge and the creeks already swollen were soon thrown out filed with water, the whole country was soon flooded, six were thrown into military prisons at Cin and the creeks already swellen were soon thrown out cinnati, Ohio, and marched through the puttle of their banks. Sphash, slash, splash, dash, water streets under a file of men, with a non-cos one with a free was removed. An enveloped their banks. Sphash, slash, splash, dash, water and mod, mod and water, on the bigh way, and in the missioned officer, subjected to the hootings by way, on nicket and in camp, every where mud and and jeerings of the mob. water clothes wet, touts wet, and the fog so heavy. Columbus, Ohio, and subjected to insult &c. that one can scarcely see how to avoid the numerous pende and bayous. Such is a Mississippi rain storm And I could but admire that noblest quality of a solder onderance, as displayed by our soldiers during not allowed under any circumstances to go u ranged this terrible rain. I saw regiment after regiment. wade waste deep in water, for nearly a half mile, to at Fo. ress Monroe, we were put on a sica a get to their post on proper duty, and then stand or which was anchored out in the stre m, and id mud and water, and the rain posting d wn on on allowed to hold any communication with them for two days, every turns wer and grapping, un the shore; our baggage went through a rigorare and not a great quantity of the poerest provi ous search, and articles not contrabend were lone to eat, and yet no man murm red. Truly such taken-articles of necessary, purchased by us men can never be conquered. How our negabors, to relieve our immediate wants; in fact we the Doodler in the low lands acres the river, where a were robbed. Our private instruments, p.

man can searcely get about for mad and water, alter vato baggage, money, &c., were in en. even an ordinary rain, stood this second edition of On asking the Federal authorities the care Noah's flood is a matter entirety beyond my compre- of our arrest, we could obtain no definite an hension; but, as we can still occasionally hear a drum swer. No cause existed. We immediately over there, I suppose that at feast some of them were threw up our pareles, believing it was inover there, I suppose that at feast some of them were not drowned. There was no donot many a wister of the some time. The following the feast some to this city with a reabove shoe mouth. The water washed the reads so prisonment by the military authorities of C.n s to cut off our communication with the rest of the cinnati, &c., and believing that the terms on good J. O. Robi a to office of Mr. Hodge, and is world, for five or six days, but events to the own re- which I have the parole were violated by he tarmed him of their grand. He received the startcarried you the glorious news of the capture of the parole, never having violated it." These pa The Queen of the Wat is said to be a very powering us would not be disregarded. We ask not for Ram and one of the best in fect in the Yankee fleet else ourselves, but for the sake of those whose they never would have sent her by our batteries. The misfertune it may be to be left behind with Indianbla, is a splendid new Ironelad. I have not our wounded in future. We know the insults the number and size of her gans, but she is aid to be a very fine crast, and the state rooms for officers are fit places for the dwellings of Nabobs, tion is taken.
